No. 26-76

TITLE/SIGNIFICANCE:

Soviet ECM (COMJAM) Battalion

COMMENT: The function of the Soviet ECM Communications Jamming Battalion is to locate and jam tactical radio communications. The graphic below shows a high resolution photographic example of major elements of the battalion. On two occasions, an ECM (COMJAM) BN has been seen co-located with a second type of ECM BN, the Air Defense Battalion. Reference IEG PI Notice No. 27-76 for information on ECM(Air Def) BNs. Refer to IEG PI Notice No. 64-75 for additional COMJAM information.
